

Polar A300

Your new 24/7 exercise companion.

The first in a new era of fitness monitors from Polar, the new A300 combines the best of the smart heart rate training features you have come to expect from Polar along with daily activity and sleep tracking to give you a complete view of their day.

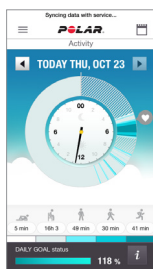

Key Benefits:

Heart Rate Features*	Training Guidance	• Continuous heart rate, target zones, smart calories
	EnergyPointer	• Helps determine if the main impact of your training is fitness improvement or fat burning
	Fitness Test	• Measures your aerobic fitness in an easy 5 minute test
Training Benefit**		• Provides an immediate overview of the physiological effect of an exercise session
Activity Monitoring		• Follow your daily activity and sleep 24/7
Mobile Connectivity		• Seamless communication via Bluetooth® Smart to Polar Flow app on mobile devices

*With H7 Heart Rate Sensor, **In Flow app and web service

Flow Mobile App

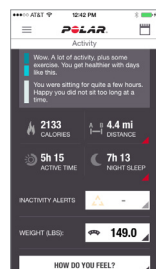

Transfer exercise and activity data via Bluetooth® Smart to your mobile device for on the go analysis

Activity zones & time line
